QUICK SUMMARY

Following is a summary of some of the things discussed within the consumer credit contract. It is by no means an exhaustive list so independent advice is recommended if you do not understand anything contained within this disclosure document.

General - All loan contracts with DCO FINANCE start with a list of general declarations to ensure you fully understand and agree to the obligations by signing the loan contract agreement. DCO FINANCE encourages you to first take some time to decide if this product is right for you.

Withdrawals – The MINI FLEX account is a revolving credit facility. If a withdrawal is made, a withdrawal fee and minimum withdrawal amount will apply. The facility will be closed upon the balance reaching zero. The ability to make withdrawals may be cancelled by Direct Cash Orders Limited t/a DCO FINANCE at any time if the account falls into default or for any other reason.

Credit Limit – There is no penalty for the account being over it's credit limit. Under normal circumstances this will only occur when the MINI FLEX is first received due to the set-up costs involved.

Interest and administration - Interest and administration (& repayment waiver if selected) is not charged upfront. Interest is accrued daily and added to your loan at the end of each month based on exactly what activity has occurred. The administration fee is added to your loan at the end of each month while a balance remains. The repayment waiver (if selected) is added to your account at the end of each month to provide cover for the following month. This means the balance of your loan will go down during the month while payment/s are made, then will increase at the end of the month when interest, the monthly administration fee 9& repayment waiver if selected) is added.

What could happen if you fail to meet your commitments - Failing to meet the contractual payments on time will result in default actions occurring. Fees and default interest may be charged which will increase the time it will take to pay your loan contract and the overall amount you will have to pay. A \$10 default administration fee will be charged each month if your loan is in arrears for any portion of that month. Your household chattels and/or motor vehicle may be seized and sold to repay the balance owing. Your overall credit rating will be negatively impacted making it difficult to obtain further credit in the future.

If you are not able to meet your obligations due to unforeseen hardship, contact DCO FINANCE immediately so that they can help find a solution for you.

Right to cancel - All loan contracts can be cancelled within a limited time after signing if you change your mind. This is 5 working days if the loan contract documents are handed to you directly or 9 working days if the loan contract documents were posted to you. If you choose to do this, you will have to pay interest for those days along with any costs incurred by DCO FINANCE that are not able to be refunded.
